Dear Pastor Blessing Olamijulo,

Invitation to Minister at the 2026 Prayer Conference – "DOMINION MANDATE"

Warm greetings to you in the precious name of our Lord Jesus Christ.

It is with great joy and honor that we invite you as a Guest Minister at our forthcoming Prayer Conference 2026 themed "Dominion Mandate" (Psalm 8:6). The conference will hold from 24th-28th November 2026.

This year's conference is a prophetic call to believers to rise into their God-given place of authority and rule — recognizing that God has crowned His people to reign in life and to put every opposing power beneath their feet. Through sessions of word, worship, and intercession, we trust God to awaken His people to take dominion, subdue every contrary force, and advance His kingdom in every sphere of life.

We will be honored to have you minister on Friday, 27th November 2026 in the session titled: "Dominion, the Power channel".

We believe your ministry will be a tremendous blessing as you bring the Word with the grace and anointing God has placed upon you.

We deeply appreciate your consideration of this invitation and look forward to the privilege of hosting you for this impactful meeting.

May the Lord continue to increase His grace and glory upon your life and ministry.
